CONVICTION REPORT

Because of the responsibility the Bagdad Unified School District #20 has to its school children and community, the following information is needed from all applicants and employees regarding convictions*. A record of conviction does not necessarily disqualify applicant from consideration; however, failure to complete this form accurately and completely may mean disqualification from consideration for employment or may be cause for consideration of dismissal if employed and may result in prosecution for filing false information with a public agency. Applicants and employees must report any convictions that occur subsequent to the time they initially completed this form. Questions regarding this information should be directed to the Superintendent's office. In conjunction with this, if you were not fingerprinted by the Arizona Department of Education when you received your certificate, you will submit fingerprints for a background check.

Please read carefully and answer every question. Please print clearly. Use additional paper if needed.
